

## **FET Student Academic Conference - 2017**

**16<sup>th</sup> of February 2018**

**“Creative Minds towards Innovative Future”**

### **Call for Abstracts**

The Faculty of Engineering Technology is organizing **Annual Student Academic Conference 2017 to be held on 16<sup>th</sup> of February 2018** at the Conference Hall, The Open University of Sri Lanka. The aim of the conference is to provide the students with an opportunity to present their project findings and innovative ideas to a wider forum and thereby open the avenues for further investigations leading to possible dissemination of concepts and findings that are of a value to the society at large, while developing the students’ competency to engage rational debates.

The organizing committee invites all students who completed their undergraduate final year projects at the Faculty of Engineering Technology in the academic year 2016/17 to submit abstracts based on their undergraduate projects. Once accepted after review process, the student will get the opportunity to present his/her work to an audience comprising of students, staff and selected industry personnel.

**All presenters will be awarded a valuable certificate of participating and the best presentation from each session will be awarded.**

The abstracts prepared according to the template given below or as in the <http://www.ou.ac.lk/fetsac/>, needed to be submitted through email or upload to the above website with the consent of the main supervisor, before 17<sup>th</sup> of January 2018.
