

Open University International Research Sessions 2018 (*i*OURS 2018)

29th-30th November 2018

Theme:

Re-imagining the Future through Research and Innovation

Following on the success of OURS 2017 by The Open University of Sri Lanka, *i*OURS 2018 is the first of the biennial International Research Sessions. It will focus on innovative scholarly research within diverse fields of academic interest that will contribute towards re-imagining a better future for all.

The Organizing Committee of *i*OURS 2018 is pleased to invite academics and researchers from around the globe to submit their research findings to be presented at the sessions.
