PART 1 - GENERAL INFORMATION

1. INTRODUCTION

The Open University of Sri Lanka (OUSL) established in 1980, is constituted under the Universities Act. No. 16 of 1978 and has the same legal and academic status as any other National University in Sri Lanka. It differs from other Universities, because it disseminates knowledge in the **Distance Mode**.

Academic Programmes of the University have been designed, to enable persons aged 18 and above to pursue courses leading to Certificates, Diplomas, Degrees and Post-graduate Degrees on their own time and from their own homes.

The Open University of Sri Lanka is the only University which provides Education Programmes by Distance Mode.

The Academic Departments of the University are grouped into five Faculties.

1. Faculty of Education
2. Faculty of Humanities and Social Sciences
3. Faculty of Natural Sciences
4. Faculty of Engineering Technology
5. Faculty of Health Sciences

The Central Campus and the Colombo Regional Centre of the Open University are situated in Colombo, Nawala. Several

Regional and Study Centers are located throughout the country.

2. SYSTEM OF STUDY

System of study in the Open University of Sri Lanka is based on a multimedia system.

2.1 Printed Study Material

The central element in the teaching system is a series of printed course materials that fulfill several purposes. They provide the student with the primary material for study and offer the equivalent of lectures that help the student to study the material. It also provides a series of carefully designed self-assessment questions (SAQs) interspersed through the text. These will also help the student to develop analytical skills and independent thought.

2.2 Day Schools / Discussion Classes / Workshops / Tutorial Classes

Although the printed material and audio-visual aids are designed for students to learn independently, **Day Schools**, Discussion Classes, Workshops, Tutorial Classes are conducted from time to time to enable the students to solve problems that they may encounter with the study material.

The academic staff of the university provides help and guidance to students in achieving their learning objectives.

2.3 Scheme of Assessment

A student's progress is assessed continuously throughout the course of studies by means of a specified number of assignments and at the end of the course by means of a final examination. The assignments form an integral part of the study system of the Open University and may also include tests, laboratory work, field work, projects and any other practical training, depending on the course.

Students are expected to submit a specified number of assignments for each course. It is the duty of the student to submit the completed assignments to the correct place at the correct time and should have obtained a pass grade Overall Continuous Assessment Mark (OCAM) to be considered for the final evaluation mark.

A set of Assignments for each course will be given to the students at the beginning of the course.

The final grade for each course will be determined by an appropriate combination of the continuous assessment mark and the final examination mark, provided the final examination mark is above a specified mark.

A student shall acquire the course credits specified in Section 3.1 of this Regulation within a maximum of twelve (12)

consecutive academic years of the Degree of Bachelor of Honours in Primary Education. Students who are unsuccessful at the final examination may re-attempt as re-sit candidates.
