

THE
OPEN UNIVERSITY
OF SRI LANKA

Bachelor of Software Engineering Honours

Pre-Registration Information Session

14th October 2021

Agenda

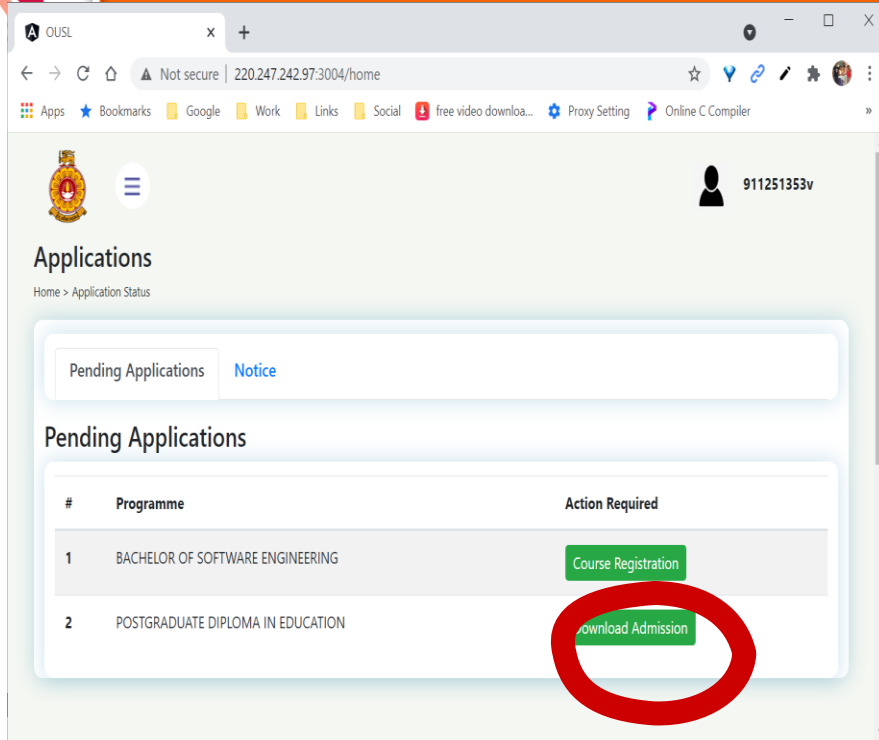

1. Introduction
2. How to register
3. Add/Drop Period
4. Semester 1 Courses
5. Selecting Semester 2 Courses
6. Semester 2 Courses - BSE
7. Semester 2 Courses - Computer Science and IT
8. Exemptions - Existing and how to apply
9. Fee structure and installment scheme
10. Bursaries and Scholarships
11. User Guides from IT division

1. Introduction

- Bachelor of Software Engineering Honours
 - Launched in 2009
 - Highly recognised by the industry
 - Delivered in Open and Distance Learning (ODL) Mode
 - Flexible - Learn at your own pace, time and location
 - Mainly online but F2F sessions once situation improves
 - Strong learner support system - Online Tutors for small groups

Course Registration (From 15th Oct -23rd Oct, 2021)

Pending Applications

#	Programme	Action Required
1	BACHELOR OF SOFTWARE ENGINEERING	Course Registration
2	POSTGRADUATE DIPLOMA IN EDUCATION	Download Admission

D.A.K.Sandeepa, following courses are to be selected for your programme.

Select a Programme*: BS: BACHELOR OF SOFTWARE ENGINEERING

Instruction to Select Courses

- Minimum 8 credits from Regular Courses (Students are required to select 30 credits from Regular Courses and credits from Continuing Education).

Preferred Course Selection: All Courses Selected Courses

Regular Programme

Compulsory

	Credits
<input checked="" type="checkbox"/> EEI3346 Web application development	3
<input checked="" type="checkbox"/> EEI3262 Introduction to object oriented programming	2
<input checked="" type="checkbox"/> EEI3266 Information systems and data management	2
<input checked="" type="checkbox"/> EEX3467 Software Engineering Concepts and Programming	4
<input checked="" type="checkbox"/> MHZ3459 Basic mathematics for computing	4

Optional

	Credits
<input checked="" type="checkbox"/> EEI3269 Introduction to Mobile Application Development	2

Continuing Education

Compulsory

	Credits
<input checked="" type="checkbox"/> LEE3410 English for General Academic Purposes - EGAP	
<input checked="" type="checkbox"/> FDE3020 Empowering for Independent Learning (EIL)	

COMPULSORY

Course Fees – Example (Vary based on the courses selected)

Do you need to become a member of the library? YES NO

Applicable Fee	Fee
1 st installment (30% of Tuition Fee)	LKR.15,300.00
2 nd installment (30% of Tuition Fee)	LKR.15,300.00
3 rd installment (20% of Tuition Fee)	LKR.10,200.00
4 th installment (20% of Tuition Fee)	LKR.10,200.00
LIBRARY FACILITIES FEE	LKR.100.00
FACILITIES FEE	LKR.1,500.00
PROGRAM REGISTRATION FEE	LKR.400.00
START @ OUSL PROGRAM	LKR.5,500.00
REFUN. LIBRARY DEPOSIT	LKR.500.00
Total (For the 1st Payment)	LKR.19,300.00

Registration Confirmation from Student's side

The screenshot shows a web browser window with the URL `220.247.242.97:3004/profile/courseSelection`. The page content is partially visible, showing a list of fees: LIBRARY FACILITIES FEE (LKR 100.00), FACILITIES FEE, PROGRAM REGISTRATION FEE, and Total (For the 1st Payment). A modal dialog box is overlaid on the page, featuring a yellow checkmark icon and the text: "Are you sure? You can no longer add another courses. Instead you are allowed to drop out selected course(s) during the 'Drop Only' period. Do you want to continue?" with "No" and "Yes" buttons.

❖ **Certificates & NIC pages should be scanned and uploaded.**

- A/L Certificates
- Birth Certificates

❖ **A later date will be given to come to the nearest Regional Center**

- with originals and photocopies of above documents
- 2 passport size colour photographs

Payment Status

2. Add/Drop Period

- OUSL allows students to change their subject selection after following a course for a few weeks.
- During this period a student can select new subjects as well as unenroll from already registered courses
- Add/Drop period will be in the mid - January 2022
- English for General Academic purpose (EGAP) & Empowering from Independent Learning (EfIL) will start from 13th of November 2021 (tentatively)
- Academic year will start on 7th February 2022 (tentatively)

Understanding a Course code

Course Code

X	Engineering
Y	Engineering projects
Z	Mathematics
I	Industrial
J	General
K	Computer literacy
E	English
M	Management
W	Training

4. Semester 1 Courses

Semester 1

There are 6 compulsory courses

1. EEI3262 Introduction to Object Oriented Programming
2. EEI3266 Information Systems and Data Management
3. AGM3263 Communication Skills
4. EEI3346 Web Application Development
5. EEX3467 Software Engineering Concepts and Programming
6. MHZ3459 Basic Mathematics for Computing

Total of 6 courses and 17 credits

You may register for all or **EEX3467** , **EEI3346** and **EEI3266** if you are offering minimum credits this year

5. Selecting Semester 2 courses

- You can select Semester 2 at ADD/DROP dates in January 2022.
- Selection of course for Semester 2 will depend on which degree programme you hope to follow in the second year.
- From the Second year you can remain in Bachelor of Software Engineering (BSE) degree programme or transfer to BSc in Computer Science of IT.
- You may get to know about these options during the Orientation programme (EfIL)

6. Semester 2 Courses - BSE

Compulsory courses

1. EEI4346 Web Technology
2. EEX3373 Communication and Computer Technology

Elective courses – Select 4 courses

1. EEI3372 Programming in Python
2. EEM3366 Introduction to Business Studies
3. CSI3361 Computer Security Concepts
4. ISI3376 Fundamentals of Information Systems
5. **EEI3269 Mobile Application Development** (strongly recommended to register, Will be compulsory in 2023)

Total of 6 courses and 17 credits

7. Semester 2 Courses - Computer Science or IT

Compulsory courses

1. CSI3361 Computer Security Concepts
2. ISI3376 Fundamentals of Information Systems
3. EEX3373 Communication and Computer Technology
4. MHZ4252 Mathematics for Computing
5. EEI4346 Web Technology

Elective courses – Select two courses

1. EEI3372 Programming in Python
2. EEM3366 Introduction to Business Studies
3. [EEI3269 Mobile Application Development](#) (strongly recommended to register, Will be compulsory in 2023)

Total of 7 courses and 19 credits

Payment plan

- Based on number of courses you select, your payment voucher will be generated.

Course Fee

- Have to pay in 4 installments of 30%, 30%, 20% & 20% during the year.

EGAP Fee (LKR 5500)

- Have to pay 50% each time with the first 2 installments

- **Registration Fee**

- Rs. 2000 + Rs. 500 (refundable library deposit)
- To be paid at the registration

9. Fee Structure and Installment Schemes

Fee for 1 credit = Rs.3000 (for 2021 / 2022 academic year)

Total fees for 34 or 36 courses in Year 1	LKR 102,000 or LKR 108,000
---	----------------------------

Registration fee LKR	LKR 2500 (approx)
----------------------	-------------------

English for Gen Academic Purposes	LKR 5500
-----------------------------------	----------

Total including EGAP & Registration fee	LKR 110,000 or 116,000
---	------------------------

- Based on number of courses you select, your payment voucher will be generated.

8. Exemptions - Existing and how to apply

- OUSL recognises qualifications you have obtained elsewhere as long as the course you followed is equivalent to the corresponding OUSL Course
- For example,
 - **British Computer Society Certificate** gives exemptions to **EEX3467 Software Engineering Concepts and Programming**
 - **NIBM Diploma in Computer System Design** gives exemptions to EEI3266 Information Systems and Data Management, EEI 3346 Web Application Development, EEI 3262 Introduction to Object Oriented Programming, EEX3373 Communication and Computer Technology, EEX3467 Software Engineering Concepts and Programming,
- All approved exceptions are given in the guidebook available at:
https://ou.ac.lk/bse_student-guidebook/
- For other qualifications you need to apply using the form given in Appendix 3 of the Student Guidebook -

10. Open University Bursaries and Scholarships

- ❖ After first year,
- Open University Enrollment Bursary
 - Annual family income less than LKR 500,000
 - Must participate in continuous assessment and other compulsory academic activities
 - No Disciplinary action
- Details of other scholarships
 - Visit: <https://ou.ac.lk/fees-scholarship/>
