

### STUDENT FEEDBACK FORM –DAY SCHOOLS

Course code:	Course Title:		
Medium:	Conducted on	Date:	Time:
Centre:	Name of the day school lecturer:		

This Student Feedback Form on Day Schools has been designed to assess the effectiveness of the day school that you just attended. Your well thought out response to the following statements will be useful to improve the quality of day schools. You are not expected to write your name. Your response will be kept strictly confidential.

Indicate your response by placing 'X' in the relevant cage against each statement using the following scale:

1 - strongly disagree    2 - disagree    3- neither disagree nor agree    4 - agree    5 -strongly agree

	Statements	1	2	3	4	5
1	The purpose (objectives) of the day school was explained at the commencement of the day school					
2	The order of topics was sufficiently logical to help the learning process					
3	Subject matter was clearly explained					
4	Greater emphasis was placed on the concepts difficult to understand					
5	Presentation slides were useful					
6	Use of blackboard/ white board was effective					
	You may not have to respond if the respective tool was not used in the day school					
7	Examples were used for better explanation					
8	Students were encouraged to ask questions and express their views					
9	Group discussion was encouraged in the learning process					
10	The lecturer was well prepared for the class					
11	The lecturer came for the day school on time					
12	Time management of the lecturer was good (sufficient time was spent on each topic)					
13	The lecture was audible (loud enough to be heard)					
14	The lecturer is friendly and approachable					
15	I am motivated to follow the course after attending the day school					
16	Overall, I am happy that I attended the day school because I was able to gain knowledge and clear my doubts					

Any other ideas which could help the day school lecturer to improve his/her teaching process:
