

To All Students – LLB degree Programme 2020/2021

Dear Students

Due to the health situation prevailing in the country the 1st Assignment Tests for all Levels which were scheduled in November and December have been cancelled.

The Law Department is giving you alternate methods of assessment as specified below.

Please note that the 2nd Assignment Test has not been cancelled.

Levels 3 and 4 - Students in Levels 3 and 4 will be given a take home assignment instead of the 1st Assignment test. The question for each course will be uploaded to each Moodle by Wednesday 11th November.

The deadline for submission of the assignment will be 11th December 2020.

Levels 5 and 6 - Alternate questions with instructions and date of submission have been uploaded to each Moodle course. Students can do these assignments at home.

The mode of submission will be informed to all students later. This will depend on the situation in the country at that time.

Thank you.
