

Notice to B. Sc. (2020/2021) registered students

The Faculty of Natural Sciences has set up the Learning Management System (e-learn) of FDE3020 – Empowering for Independent Learning (EfIL) course under the Start@OUSL programme for the new registrants of the B.Sc degree programme. Due to the current situation in the country, EfIL Committee has decided to commence some activities through the LMS for FDE3020. Please login to the online course for further information.

Notice to B. Sc. (2020/2021) registered students

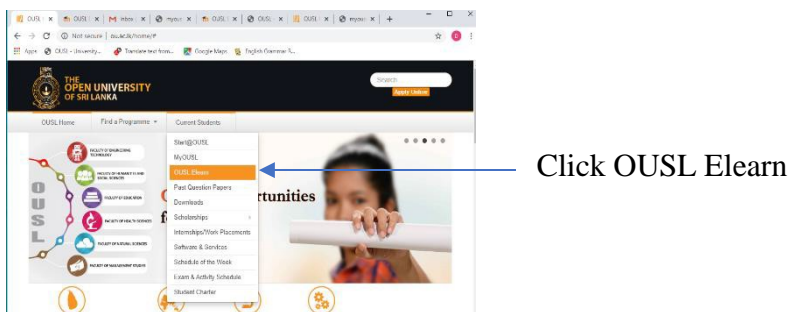

Compulsory session of the EfIL programme, which is starting on 15 June and continuing until 21 June 2020, is open for registration for 2020/2021 registered student. Please login to FDE3020 – Empowering for Independent Learning (EfIL) and select your group. Session will be conducted via ZOOM. Participation for the EfIL programme is compulsory. Please refer login instruction for OUSL E-learn.
