

## **All Students of The Open University of Sri Lanka**

The University Grants Commission has given permission to commence academic activities in the Universities with effect from July 06, 2020.

Accordingly, the OUSL is taking actions to recommence academic activities and the students will be informed of their specific activities through MyOUSL and general notices on the website.

However, please note that as instructed by the UGC, the following conditions and considerations shall be applicable during the process of conducting the academic activities.

1. One-metre social distance rule shall always be maintained in examination and lecture halls, library, laboratories during practical classes and any other location where academic activities are conducted.
2. All students shall comply with the instructions given by the security officers of the University in adhering to the guidelines of the Ministry of Health, including measuring the body temperature, hand washing, etc while entering the university.
3. All students attending academic activities at the University will be required to wear face masks during the entire duration of their stay at the University.
4. Students shall leave the university premises immediately after the conclusion of the planned academic activity
5. No student shall be allowed to enter the university premises unless they have planned academic activities
6. Sports activities, social events or any similar gatherings will not be permitted during this time.
7. Allocation of Temporary Residential Facilities to students shall be strictly based on single-room per student.
